PROFILE

I am a passionate Graphic Designer and UI/UX Designer with experience in creating modern, user-friendly, and visually appealing designs. I specialize in designing logos, social media graphics, website and mobile app interfaces, and prototypes. My goal is to deliver high-quality designs that meet client expectations and enhance user experiences.

PROJECT

Explore Sri Lanka – Website Redesign (Case Study)

Redesigned a tourism website to improve usability and create a modern, engaging experience for travelers. Focused on UI/UX design, wireframes, and prototype development.

Tools: Figma, Photoshop
